

FIBER CABLES OVERVIEW

SMW Fiber cables are special adapted to our RFoF products and must be used to not void warranty for the RFoF product!

All cables are single mode fiber and patch cables are type APC for SC, LC and FC.

(*) = Normally in stock

Other cable lengths on request, contact us.

Q-ODC to 2 x SC-APC (patch)
3 meter p/n: 280503-003 (*) 15 meter p/n: 280503-015 (*) 25 meter p/n: 280503-025 (*)
